

6/20/2017

Dear Local Business Owner;

The Judith Glick Buckman Fund for the Future is planning our 3rd annual *Celebrating Women's Voices* event for October 15th, 2017 in Moorestown NJ. This fundraising evening will celebrate the impact and value of women in our communities and will feature noted speakers from the local media and from the nonprofit sector, and will showcase local musicians and artists. This year, we are excited to be honoring radio personality Marty Moss-Coane at this event.

JGBFFF is a nonprofit 501(C)3 organization that sponsors and provides programs and activities in Southern New Jersey and the surrounding areas that support women's rights and equality. We sponsor programs that educate the community on important women's issues and on the contributions of women in society, as well as programs that encourage young women to become leaders and advocates

JGBFFF has been privileged to fund programs on girls and technology, sexual assault on college campuses, efforts to reduce human trafficking, women's entrepreneurship, and much more. We work to inspire young women to achieve their goals and have sponsored student attendance at the Alice Paul Institute's Lead-a-Way program and funded the South Jersey NOW's Annual Feminist Essay Contest for middle and high school students. For your reference, our EIN is 47-2074823.

To make this evening a fundraising success, we are reaching out for support with our basket auction. We are in need of donations of goods, gift certificates, tickets, or vouchers to be included in our raffle. I know our guests would be thrilled if you are in a position to add to our auction. This fundraiser will support programs and education in the year to come. If you have questions, please contact me at the phone or email address below. Thank you for your consideration.

Sincerely;

Lisa M. Dunne
